

Service Projects for Girl Scout Daisies

Girl Scouts Heart of Central California | 6601 Elvas Avenue Sacramento, CA 95819 | www.girlscoutshcc.org

In Girl Scouting, service means doing something helpful without asking for or expecting a reward. Through service projects, Girl Scout Daisies will have fun, learn new skills and information and provide assistance to others.

At this age level:

1. Service is synonymous with friendship and can occur at every meeting in a small way.
2. Large service projects can be carried out in partnership with Girl Scout Brownie troops.
3. Projects should be reasonable and provide an experience that is meaningful to the girl.
4. Projects should be very simple.
5. Projects should be of short duration as Girl Scout Daisies have short attention spans.
6. Projects should encourage learning more about Girl Scouting and bridging.
